

# Contracting with FaithLife Financial

Becoming an affiliate broker with FaithLife Financial gives you the opportunity to make a significant contribution to your community. With FaithLife Financial we get to know you and you get to work with a leading Canadian not-for-profit insurance organization that strives to make a difference in the lives of our members. We offer competitive and affordable insurance solutions plus we offer unique benefits that other insurance carriers can't offer.

## Get started today!

**Our contracting process is simple, fast and personal.**

- 1** You request a contracting kit from our Brokerage Support team. We'll email you the kit the same day.
- 2** We'll mail the Life Application forms (paper version) to begin writing business with us.
- 3** You complete the contracting kit in full. You write a minimum of ONE risk case with us. You then send your kit and your policy application in to our Broker Support team.
- 4** We review your contract kit and if necessary follow up with you to get missing details.
- 5** We conduct a background check and review the results.
- 6** Your contract is approved and set up on our system.
- 7** You'll receive a detailed WELCOME package following approval of your contract.

## Our commitment to you

We will be here to support you and help you grow your business. You are more than just a number!
