

The work of clergy is not just a nine-to-five responsibility. As members of our congregation we call upon our clergy regularly to go above and beyond. Now, you have an opportunity to recognize his or her commitment and dedication to your congregation.

When full-time clergy, who are FaithLife Financial members, celebrate a decade anniversary (10, 20, 30 etc.) of ordination, Chapters can apply for this special gift. The full-time clergy can receive **\$1,000** to be used for wellness or educational purposes, for example, retreats, courses, sabbaticals, conferences, etc. This program is subject to annual funding limits.
